

IEP GOAL

Development

in TEXAS

This online training module, a joint project of the Access to the General Curriculum Statewide Network and Texas Education Agency, focuses on the overall ARD process including: developing a student's Present Levels of Academic Achievement and Functional Performance (PLAAFP), using the PLAAFP to create enrolled grade level measurable annual academic goals, and monitoring progress.

Cost: Free | Workshop #: PD150301-A41

The training should take approximately 2-3 hours to complete, and upon successful completion a certificate will be created.

TO REGISTER

1. Go to www.esc20.net and click on the section titled iLearning.
2. Enter the workshop number into the search box or use the search options.
3. If you do not have an iLearning account you will be prompted to create one after which you will be able to register for your selected workshop.

Questions? Contact Registration at registration@esc20.net or 210.370.5671 with any questions.
