**OPEN ENROLLMENT**

**Back to Basics: Practical Tips for Work-Based Learning**
October 18, 2017  |  Session ID: 1318830  |  Fee: $35
April 17, 2018  |  Session ID: 1320549  |  Fee: $35
Gain an understanding of the fundamentals of work-based learning and community-based vocational instruction, including applicable laws, marketing techniques, and practical tips.

**Postsecondary Goals, Annual Goals, and Assessments for Transition**
October 24, 2017  |  Session ID: 1320568  |  Fee: $35
Review the basics of transition. Learn about transition assessments and developing postsecondary and annual transition goals with a focus on goals for students with mild to moderate disabilities.

**Texas Transition: Attaining Goals**
March 6, 2018  |  Session ID: 1320601  |  Fee: $35
Review IDEA, the Texas Administrative Code, and the Texas Education Code concerning postsecondary life for students receiving special education services in Texas. Participants will learn about the ARD process, current graduation option criteria for meeting the regular high school diploma requirements, postsecondary goals, and related issues.

**Leaving a Clear Trail: Special Education Courses, Credits, and the Academic Achievement Record**
January 25, 2018  |  Session ID: 1321807  |  Fee: $35
March 29, 2018  |  Session ID: 1321810  |  Fee: $35
May 16, 2018  |  Session ID: 1321812  |  Fee: $35
Participate in an overview session to explore the relationship between state and district requirements for graduation, special education options, PEIMS coding, and the documentation needed to accurately reflect a student’s high school education. Examine course descriptions for special education and learn to code special education courses on the Academic Achievement Record (AAR).

**Beginner 18+ Network**
October 17, 2017  |  Session ID: 1302194  |  Fee: $0
January 16, 2018  |  Session ID: 1302195  |  Fee: $0
March 27, 2018  |  Session ID: 1302197  |  Fee: $0
Learn how to create an 18+ program in your district or charter school and how to improve your newly developed 18+ program. This session is designed to meet the needs of participants who are new to 18+ adult services and/or have worked in an 18+ program for fewer than 3 years.

**Advanced 18+ Network**
October 17, 2017  |  Session ID: 1310617  |  Fee: $0
January 16, 2018  |  Session ID: 1310622  |  Fee: $0
March 27, 2018  |  Session ID: 1310624  |  Fee: $0
Learn how to improve your existing 18+ program. This session is designed to provide information and training for participants who have worked in an 18+ program and/or have been the program administrator for 3 or more years. Training will be provided at an advanced level.

Work-Based Learning: The Roles and Responsibilities of the VAC  
February 14, 2018 | Session ID: 1320564 | Fee: $35  
Discover the roles and responsibilities of the VAC, including applicable laws, topics covered in VAC classes, techniques used, and VAC skills needed in class and when working with students on the job. Through activities and handouts, participants will gain a better understanding of the expectations of the VAC.

Person-Centered Thinking and Transition Assessment  
November 1, 2017 | Session ID: 1333081 | Fee: $35  
Find out how your district can implement strategies to create a transition assessment based on a person-centered approach. The person-centered thinking assessment provides a description of the individual that includes what others like and admire about the person, things that are important to and for the person, characteristics a support person should have, and information on how the individual communicates with words and behaviors.

Transition Services for Students with Learning Disabilities that Meet Indicator 14  
November 2, 2017 | Session ID: 1320605 | Fee: $35  
Determine which transition assessments to give and learn how to connect students to employment and postsecondary education. Learn the ins and outs of college/university disability services and how to use other support systems to close the gap in transition services and Indicator 14 for this student population.

Transitioning from High School to College  
November 9, 2017 | Session ID: 1320635 | Fee: $35  
Learn about students with disabilities transitioning from high school to college in this trainer of trainers presentation developed by the Secondary Transition/Post-School Results Network.

Functional Vocational Evaluations: What You Need to Know  
January 30, 2018 | Session ID: 1340193 | Fee: $35  
January 30, 2018 | Session ID: 1340206 | Fee: $35  
Learn about the required components and evaluation tools that can address the areas of the FVE. Discuss different strategies and learn how to use existing information and write recommendations.

Postsecondary Goals, Annual Goals, and Assessments for Transition (Low-Incidence Disabilities)  
February 1, 2018 | Session ID: 1321876 | Fee: $35  
Review the basics of transition. Learn about transition assessments and developing postsecondary and annual transition goals with a focus on goals for students with moderate to severe disabilities.

Special Education Graduation 101: The Basics  
February 27, 2018 | Session ID: 1340211 | Fee: $35  
Learn the requirements for each graduation option under TAC 89.1070 and be able to determine which options are most appropriate for each student based on their IEP, coursework, and state assessment.

Embedding Functional Academics through Activities of Daily Living and Vocational Skills  
March 8, 2018 | Session ID: 1312382 | Fee: $35  
Learn how to embed functional academic skills through a variety of daily living and vocational skills for students with autism and other developmental disabilities. Participants will explore the assessment of significant intellectual disabilities, skills for working with parents, and the transition process to adult living starting in the mid-elementary years.

SPECIAL EVENTS
