

Region 4 Principal TExES Review Series

Title	Cost
TExES Preparation–Session 1	\$125
<p>This course is a review designed to assist aspiring principals in preparing for the Principal TExES exam, as well as providing essential information for understanding how to think systematically to make leadership decisions related to the domains and principal competencies. The course also provides a brief outline of the domains and competencies as well as sample test questions by domain.</p>	
TExES Preparation–Session 2	\$125
<p>For those who are currently studying for the Principal TExES exam, this course provides a review and analysis of the domains and competencies as well as sample test questions by domain. Participants will determine a course of action to continue preparation for the exam through self-study.</p>	
TExES Test Review	\$200
<p>The first session of this course is for those who are currently studying for the Principal Certification exam. It is a structured testing environment in which a secured copy of a representative TExES exam will be administered in the format of the actual test. In the second course session, the participants will receive their scores from the recent representative test and participate in discussion, analysis, and reflection on why the answer is the best answer. Participants will review final test preparation skills.</p>	

If you are currently enrolled in the Region 4 [Principal Certification Program](#), there is no need to take these courses because it is a repeat of the coursework.

If you are a past participant of the Region 4 [Principal Certification Program](#), the Review Sessions of your choice are offered to you at a discounted rate of \$75 per session. The cost of the Test Review for past participants is \$125. Past participants may participate in the three-session Review Series package for the discounted price of \$275. You must contact the program for a promo code prior to registering.
