## TEGES Preparation

### Gifted/Talented TEGES Preparation Session

A preparatory course for the GT Supplemental TEGES exam which provides teachers with the opportunity to become certified in gifted education in Texas. The course will highlight key words and concepts that may not have been emphasized in teachers' initial 30-hour GT training and provide an intense review of the tested competencies. This course is appropriate for GT update credit, as attendees should have already completed 30 hours of initial training in gifted education required to be eligible to teach GT Students
