

TEExES Review Study Guide for Technology Applications 8-12

Prepare for the Technology Applications 8-12, Field 139, Texas Examinations of Educator Standards (TEExES). This study guide, written by expert Technology Applications teachers, is designed to strengthen understanding of the critical information in the test framework, improving knowledge and likelihood of success on the certification exam.

In clear, easy to understand language, this one-of-a-kind resource explains the terminology and concepts Technology Applications teachers must know. For ease of use and exam preparation, the guide contains an extensive index and is organized according to each of the 8-12 Technology Applications courses:

- Digital Graphics/Animation
- Desktop Publishing
- Multimedia
- Video Technology
- Webmastering
