

Title: Jigs & Gadgets: DIY Adapted Classroom Materials

Learn how to create unique adaptations to provide access to classroom materials for students with disabilities. In this 1-day hands-on session, make 10 or more gadgets and jigs you can take with you! Find out how the jigs you create can provide structure during learning and vocational tasks. Be ready to have fun while you cut, cold, glue, mold, ad construct projects that can be duplicated in your school as needed. Gadgets and materials demonstrated in this session include corrugated plastic, LoLift, Foamular board, Uglu, Dual lock, Loc line, specialty tapes, polymorph, and more!

AOTA 4 CEUs

Course Timed Agenda & Outline:

9:30-10:45	Materials properties & tool safety. Create mouth stick, switch mount, drink holder	Lecture, PPT, Hands-on
10:50-11:00	Break	
11:00-12:00	Create footrest, slantboard, activity wheels	PPT, small grp activity, hands-on
11:30-12:40	Lunch	Hands-on activities
12:40-1:50	Create structured boards with clothespin activity, Storyline access to reading	Hands-on activities
1:50-2:00	Break	
2:00-3:00	Create: adapted grasp utensils, quick DIY stylus, stylus using conductive foam, Discussion, Review	Hands-on, Q&A, discussion, Lecture

Course Level: Intermediate

Learning Outcomes:

At the end of this course participants will be able to *(list minimum of 3 measureable outcomes)*:

- List at least two materials to position devices or classroom materials for students with disabilities.
- Name one material to adapt a utensil and/or drinking cup to improve access for student activities.
- Name two or more adhesives and/or tapes that can be used to adapt materials to increase access to activities occurring in the educational environment.

Completion Requirements:

Learning outcomes will be assessed by one or more of the following methods: fill-in-the-blank, matching, small group activity, checklist, interactive activity, and/or activity completion.

Participants are required to attend and participate in the full day(s) of training. Partial continuing education credits are not offered.

Cancellation and Refund Policy:

Cancellations **must** be completed online or sent to cancellations@esc4.net. no later than seven calendar days prior to event. Phone cancellations are not accepted. Registrations are transferrable.

A processing fee of 25% of the registration cost with a minimum fee of \$35 will be applied to the refund. No refunds for online courses, nonattendance, or cancellations submitted one to six days prior to the event. Participants will receive a full refund for events cancelled by Region 4.

Registration Cancellations must occur at least seven days prior to the first class in order to be eligible for refund of registration fees.

Class Cancellation:

In the event of a class cancellation you will be contacted by email.
