

Child Find

is a process designed to **identify, locate, and evaluate** individuals from birth to 21 years of age who may need special education and related services.

If you are concerned that your child may have a disability, contact your local school district or charter school for more information about the Child Find process.

Region 4 Special Education Solutions provides districts, campuses, and families with technical assistance related to Child Find.

For questions, inquiries, or more information, contact specialeducation@esc4.net or call 713.744.6868.

School districts and public charter schools must ensure that a Free and Appropriate Public Education (FAPE) is provided for children who are identified as needing special education and related services.
