

Sock Puppet

<https://itunes.apple.com/us/app/sock-puppets/id394504903?mt=8>

Sock Puppet lets you create your own puppet show to share with others. Add Puppets, props, scenery, and backgrounds and start creating. Hit the record button and the puppets automatically lip-synch to your voice.

PROS

- Free for iPad or iPod users in the apple store
- Great for ELLs
- Requires collaboration and creativity
- Ease of use
- Creative and fun

CONS

- Limited abilities with free version
- Not available for android devices
- In app purchase
