

Warm Up to Social Studies

FROM REGION 4

This Region 4 resource contains 144 engaging activities aligned to the Grade 8 Texas Essential Knowledge and Skills and includes expository writing opportunities to develop critical thinking. Activities may be used as

- » engagement for a new lesson,
- » a method to enhance retention, or
- » a formative assessment within a lesson.

Activities also include ideas for alternative instruction, support for struggling learners, and extensions for advanced learners.

WARM UP TO SOCIAL STUDIES

Part 1

Exploration through Early Republic

Part 2

Age of Jackson through Reconstruction

Each part is organized by historical era and incorporates instructional strategies that enhance student achievement. Student materials are provided as digital content via the online repository, R4Hub.esc4.net, through a user license set up at the time of purchase.

Files can be projected or printed for classroom use.
