Students who graduate on the Foundation or Recommended Plans are eligible for admission to a 4-year institution of higher education upon high school graduation.

Scenarios to Inform Decision Making

English Language Arts

- English Language Arts requirements for the Minimum and Foundation Plans are the same

Mathematics

- Mathematics requirements for the Minimum and Foundation Plans are the same. For the Foundation Plan, the student's third Math course may be a CTE, MMA , or Algebra II. Algebra II is required for a student to be eligible for ranking in the top 10% of their class.

Social Studies

- Social Studies requirements for the Minimum and Foundation Plans are the same. It is unlikely that SBISD will offer the combined World History/World Geography course during the 2013-14 school year.
- A student on the minimum plan may use either World History or World Geography for their academic elective.

Science

- Under the Foundation Plan, a student's third science class may be a course other than Chemistry or Physics such as Environmental or Aquatic Science.
- A student on the minimum plan may use Physics or Chemistry as their academic elective.

Foreign Language

- Student has gained one credit in a foreign language:
 - Take the remaining credit as a Senior in 2013-14
 - Take Credit by Exam and make a grade of
 - 80 or higher for original credit
 - 75 or higher for retake credit
